Damages

If you found any of the Defendants infringed the Plaintiffs copyrights, registered trademarks, or unregistered trademarks, converted Plaintiffs' property, and/or engaged in a conspiracy to do those things that injured the Plaintiffs, you must determine the amount of damages that Plaintiffs are entitled to recover. On the following line, please state the total damages, if any, that you award to the Plaintiffs in this case.

Total Damages: \$ 26,000,000

If all of the Defendants that you found liable also were engaged in a conspiracy, you do not need to do anything else with respect to compensatory damages, because the Defendants will be jointly liable for that total amount.

If you did not find that all of the Defendants that you found liable also were engaged in a conspiracy, you must specify, in dollars, the portion of the total damages identified above that each Defendant must pay to the plaintiffs.
